

Co-funded by the
Erasmus+ Programme
of the European Union

*"THE EUROPEAN CHILD: LEARNING BY DOING
3'C – CONNECT, CONSTRUCT, CREATE "*

One child, two languages

Let's learn the numbers by singing

“Five little monkey”

- Count the objects and connect with the suitable number

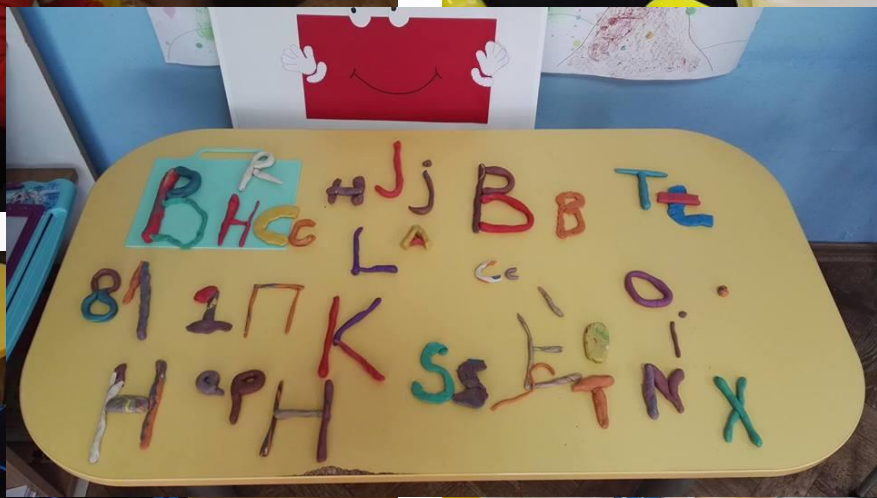

- Write the letters/number, that see on the card/writing on rice, lens/

Drawing and modeling the letters or numbers

Knowing for the seasons

- Connect the symbol with the suitable season
- Find your season

Flower – spring

Sun – Summer

Orange leaf – Autumn

Snowflake – Winter

To learn the directions

“A step ahead”- teacher touch the head of the child

“To the left”- teacher touch the left shoulder of the child

“To the right”- teacher touch the right shoulder of the child

“A step backward”- teacher touch the back of the child

Colors and shapes

Colors

“Help the monkey to collect each object to its color house, according to the color.”

Red house – all red objects

Blue house – all blue objects

Yellow house – all yellow objects

Green house – all green objects

Orange house – all orange objects

White house – all white objects

Shapes

“Help the monkey to collect the figures/objects to their house, according to the shape – Triangle, Square, Circle, Rectangle, Star, Diamond.”

The name of the fruits and vegetables

- Choose a fruit/vegetables and tell the name.

- The game “What is this- fruit or vegetables?”- the teacher/or child/ show the picture or natural fruit/vegetable, children tell its name and what is this.

- The game “Healthy or Junk” – the teacher show different types of food and children using the thumb up or thumb down choose if this food is healthy or junk.

THANK YOU!
